

REPORT ON THE CLASS ASSEMBLY OF VI - D DURING THE ACADEMIC YEAR 2022-23

Topic: How To Identify Kinaesthetic Intelligence Among Students. What are the professions fit for them? Prominent personalities with Kinaesthetic Intelligence

Class Teacher: Ms. Sridevi Kaushik

Date: 25th August, 2022 (Thursday)

Timings: 08:30 a.m. - 9:00 a.m.

The Assembly commenced with the **DAV Gaan** and chanting of **Gayathri Mantra** invoking the blessings of the Almighty followed by the formal Welcome address by Jaiwanth Kumar. The Assembly accentuated a docket of programmes to identify the Kinaesthetic Intelligence among students.

Prelude to Kinaesthetic Intelligence – A brief introduction on how kinaesthetic learning encourages physical activity, bolsters cognitive, social and emotional development and enhances the brain's capacity to retain information was presented by the students of the class. Further, the speaker emphasised on how kinaesthetic learning develops one's individual capacities and strengths, one's self-confidence and the ability to control one's body movements as well as to handle objects skillfully.

Hatha yoga formations – Firstly, Students presented diverse yoga formations which included - Ardha chakrasana, Tadasana, Trikonasana, Veerabhadrasana, Bhujangasana, Padahastasanato to showcase their kinaesthetic skills followed by enlightening the audience on how performing these yoga asanas regularly helps in self-regulation, mindfulness, self-esteem, physical conditioning, academic performance, and stress reduction.

Affiche on professions – Secondly, Students displayed posters on the possible professions a kinaesthetic learner can pursue.

Role play- 3 prominent personalities– Thirdly, a role-play depicted_____.

Charlie Chaplin–His unique charisma, comedy and emotions were executed by Rishabh Gowtham who was able to showcase his kinesthetic skills and was well appreciated by the audience.

Michael Jackson –An American singer, a dancer was enacted by Pranav.J who mesmerized the audience by swaying to the famous MJ's moonwalk step and mind-blowing dance moves.

Mithali Raj- 1st Indian and 5th woman cricketer overall to score over 1,000 World Cup runs was staged by Vidhya Bhairavi.

Artistry advert – Students exhibited their kinesthetic achievements through their paintings, craft, medals in sports and origami.

Fusion Dance– Lastly students entertained the audience with their wonderful, dazzling performance of a fusion dance on folk and classical.

Supervisory Ma'am appreciated the students for their awe-inspiring performance.

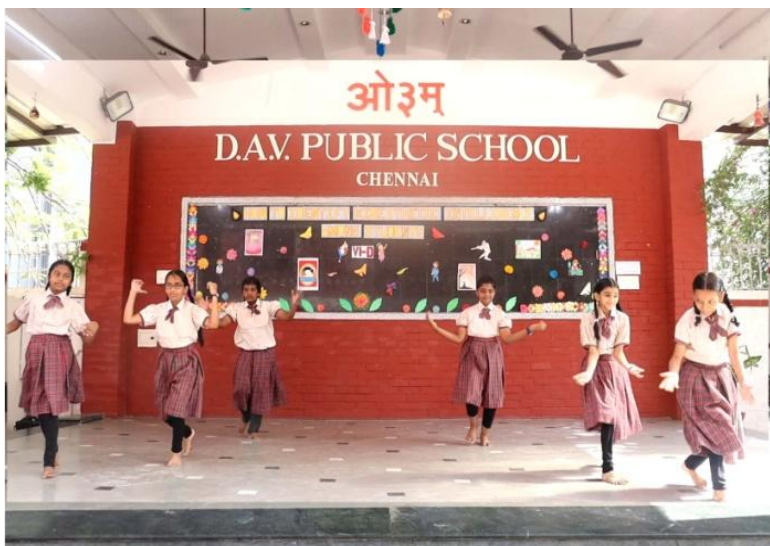

The Vote of Thanks was proposed by Mohit.V, brought the curtain down.
