

D.A.V International School, Ahmedabad

Circular - Grade I to XII

DAV/AHMD/2020-21/ Onlinecir/002

11/04/2020

Dear Parents,

Greeting from D.A.V. Ahmedabad!

In these testing times we would like to keep our kids engaged in some activity. Here is a good opportunity as CBSE has come up with a Mathematics Online competition conducted by BRICSMATH.COM.

It is an annual International competition in Mathematics, for students of grade I to XII of BRICS countries (Brazil, Russia, India, China, South Africa, Indonesia and Vietnam). The competition will be held online on the following website and is completely free of cost:

www.bricsmath.com

The purpose of the competition is to cultivate interest in Mathematics and develop logical reasoning skills, as well as unite students from different countries. The preparatory online competition is scheduled from 22nd April, 2020 to 22nd May, 2020. The main competition will take place in July-October 2020.

The students need to have access to a computer or tablet with internet connection. The students can register on bricsmath.com and select the country, class, and language. The students will receive their own logins and password. Using this login and password the students can complete the task.

Regards

Dr. Nivedita Ganguli
Principal
