Dear Parents

Greetings of the day! Hope you are safe and healthy

We are pleased to appreciate your whole hearted cooperation during this pandemic of Covid-19 to cope with the stress and pressure of the children staying within the four walls of the house for 24 hours. We convey our sincere thanks for your patience and timely support to the tiny tots for **the online classes** at this crucial time which is needed a great support to all of us. We also appreciate the teachers adopting to the new normal and trying to ensure that learning is continuous and have tried their best to keep our children engaged even during this pandemic. Keeping in view of all stake holders and the pandemic of Covid-19 the school management has already reduced the school fees vide Notice No.-DAV(CDA)/594/2020 dated-13.07.2020.

During this pandemic situation, with much reluctance, we would like to bring to your kind notice that the financial stability of the school has been badly affected and we are not in a position to give the legitimate dues of the staff members at this pressing time. As a number of Writ Petitions pertaining to the relaxations in the school fees are pending before the Hon'ble High Court, many parents are waiting for the orders of Hon'ble Court. The DAV Management always holds the order of the Hon'ble Court in high esteem.

Under the circumstances, pending the orders of the Hon'ble Court, we request all parents to clear the school fees up to December 2020 as notified in the ERP of the school fee without prejudice to your claim by 10th January 2021 to avoid late fees so that we will be able to meet the demanding financial pressure of the school. We assure all the parents that the excess fees, if any, paid by the parents beyond the orders of the Hon'ble Court will stand adjusted/refunded.

Expecting your whole hearted cooperation in this regard.

Wish You and Your Family "A Merry Christmas and A Happy New Year, 2021".

Thank you.
