## DAV PS, Rajhara

## Short Answer Questions(1 mark Questions) Session 2019-20

39) What is Relational Database?

## Class 10<sup>th</sup> - IT - 402

| <del></del>  |  |  |  |  |  |  |
|--|--|--|--|--|--|--|
| 1) Name different form of communication.                       |  |  |  |  |  |  |
| 2) Define feedback in terms of communication.                  |  |  |  |  |  |  |
| 3) What is Decoding?   |  |  |  |  |  |  |
| 4) What is verbal communication?                               |  |  |  |  |  |  |
| 5) What is non verbal communication?                           |  |  |  |  |  |  |
| 6) What is written communication?                              |  |  |  |  |  |  |
| 7) What is stress?   |  |  |  |  |  |  |
| 8) What is bed stress?   |  |  |  |  |  |  |
| 9) What is self awareness?                                     |  |  |  |  |  |  |
| 10) Define self regulation.                                    |  |  |  |  |  |  |
| 11) What is independent working?                               |  |  |  |  |  |  |
| 12) What is word processor >                                   |  |  |  |  |  |  |
| 13) What is title bar?   |  |  |  |  |  |  |
| 14) What is word wrapping?                                     |  |  |  |  |  |  |
| 15) Define text Alignment.                                     |  |  |  |  |  |  |
| 16) The shortcut key used for pasting text from clipboard is . |  |  |  |  |  |  |
| 1)Ctrl + X b) Ctrl + V c)Ctrl + Y d)Ctrl + N                   |  |  |  |  |  |  |
| 17) Ctrl + S shortcut is used to select text in OOo writer.    |  |  |  |  |  |  |
| a) True b)False  |  |  |  |  |  |  |
| 18) We can't incorporate graphics in a word processor          |  |  |  |  |  |  |
| a)True b)False   |  |  |  |  |  |  |
| 19) What do you mean by previewing a Document?                 |  |  |  |  |  |  |
| 20) The printed copy of a document is called Hard copy.        |  |  |  |  |  |  |
| a)True b)False   |  |  |  |  |  |  |
| 21) You can view multiple pages in page preview.               |  |  |  |  |  |  |
| a) True b)False  |  |  |  |  |  |  |
| 22) What are tables?   |  |  |  |  |  |  |
| 23) What is cell pointer?                                      |  |  |  |  |  |  |
| 24) What is cell?  |  |  |  |  |  |  |
| 25) What is worksheet?   |  |  |  |  |  |  |
| 26) What is worksheet?   |  |  |  |  |  |  |
| 27) Define MIN() in OOo Calc.                                  |  |  |  |  |  |  |
| 28) Under what menu you will find sort command?                |  |  |  |  |  |  |
| 29) The shortcut key for printing is                           |  |  |  |  |  |  |
| 1)alt + P b) Ctrl + Shift +V c)Ctrl + P d)Ctrl + N             |  |  |  |  |  |  |
| 30) What is formula in OOo Calc?                               |  |  |  |  |  |  |
| 31) What is function in OOo Calc?                              |  |  |  |  |  |  |
| 32) What is slide in OOo impress?                              |  |  |  |  |  |  |
| 33) What is the shortcut key to run a presentation?            |  |  |  |  |  |  |
| 34) What is Entrepreneur?                                      |  |  |  |  |  |  |
| 35) What is sustainable development?                           |  |  |  |  |  |  |
| 36) Which of the following is not a Network type?              |  |  |  |  |  |  |
| a)LAN b)MAN c)WAN d)TAN  |  |  |  |  |  |  |
| 37) What is instant messaging?                                 |  |  |  |  |  |  |
| 38) What is blog?  |  |  |  |  |  |  |

## DAV Public School Bhatgaon Question Bank- 2019-20

Class:-X Subject:-IT(402)

| 1.  | The animation shown      | when on      | e slide m  | oves to  | o anoth  | er slide | e is kno | own as   |         |
|-----|--------------------------|--------------|------------|----------|----------|----------|----------|----------|---------|
|     | a. Theme                 | b.           | Desig      | n        |          | c.       | Trans    | sition   | d.      |
|     | Hyperlii                 | nk           |            |          |          |          |          |          |         |
| 2.  | The feel-good hormor     | ne released  | d by our   | body,    | which    | helps u  | s cope   | with s   | tress   |
|     | is/are                   |              |            |          |          |          |          |          |         |
|     | a. Cortisol              | b. Eı        | ndorphir   | n        |          | c. Dop   | pamine   | 9        | d.      |
|     | Adrenaline               |              |            |          |          |          |          |          |         |
| 3.  | A cell address's correct | ct form is   |            | ,        | ·        |          |          |          |         |
|     | a. row number, co        | olumn let    | ter        |          | c.       | colun    | ın lette | er, row  | number  |
|     | b. column numb           | er row ni    | umber      |          | d        | none     | of thes  | e        |         |
| 4   | The cell having bold b   |              |            |          |          | Tioric   | or tries | C        |         |
| 1.  | a. Last                  | •            | Next       |          |          | First    |          |          | d.      |
|     | Active                   | υ.           | TTCAL      |          | С.       | 11130    |          |          | a.      |
| 5.  | Showing data as per a    | specific o   | condition  | ı is kno | wn as    |          | of da    | ta.      |         |
|     | a. Showing b.            | -            |            |          |          | Limit    |          |          | d.      |
|     | trimming                 |              | O          |          |          |          | 0        |          |         |
| 6.  | To create an absolute    | cell refere  | ence       | sign     | is used  | d before | e the p  | arts of  |         |
|     | formula.                 |              |            | _ 0      |          |          | 1        |          |         |
|     | a. \$ sign b.            | . # sig      | gn         |          | C.       | ^ sig    | n        |          | d. %    |
|     | sign                     |              | J          |          |          | O        |          |          |         |
| 7.  | The formula in cell A2   | 2 is =B2+C   | 23. On co  | pying    | this for | rmula t  | o cell ( | C2, the  |         |
|     | formula in cell C2 will  |              |            | 17 0     |          |          |          | ,        |         |
|     | a. $=B2+C3$ b.           |              |            |          | c.       | =D2+     | -E3      |          | d.      |
|     | =E3+D2                   |              |            |          |          |          |          |          |         |
| 8.  | is a website cons        | sisting of o | entries (a | also cal | led pos  | sts) app | earing   | in rev   | erse    |
|     | chronological order w    | _            | •          |          | _        |          | _        |          |         |
|     | to a daily journal).     |              |            | J        |          | O        | `        |          |         |
|     | a. Blog b.               | . Blog       | ger        |          | C.       | Blogg    | ing      | d.       |         |
|     | Blogospi                 | here         | , 0        |          |          |          | O        |          |         |
| 9.  | Email deleted from th    | e inbox is   | moved i    | into     |          |          |          |          |         |
|     | a. spam b                | . trasl      | h or dele  | ted fold | der      |          | C.       | sent     | d.      |
