Subject: Participation of students in Water Talks conducted by National Water Mission

National Water Mission (NWM) under the Department of Water Resources, River Development and Ganga Rejuvenation, Ministry of Jal Shkati, Government of India, has been organizing a lecture series –'Water Talk' to promote dialogue and information sharing among participants on variety of topics related to water. As the role of students in dealing with crisis like water scarcity is of the paramount significance from both present and future perspective, sharing best practices among students through these water-talks would enhance knowledge, ensures consistent dissemination of information and build capacities in better water management.

NWM conducts the lecture series on third Friday of every month wherein leading water experts present innovative perspectives on current water issues in the country. The last three water talks were organised in a webinar format (e-Talks) due to the threat of COVID-19.

As the 'Water Talk' is an extremely beneficial platform to learn various aspects of water conservation and management, all the schools affiliated to CBSE are requested to encourage their students to participate in the water talks conducted by NWM. Interested schools/students should visit www.nwm.gov.in for more information on this.
