Dear Parent

Examinations and assessment are an essential part of the teaching learning process and help assess the progress of students. Let's make it our common endeavor to make this assessment achieve its goals which are to identify students' strengths and weaknesses and monitor teaching and learning strategies and processes. The National Education Policy 2020 aims at holistic development of the learners. The Half Yearly Exams are a part of the evaluation process. Please ensure that your ward submits all the work regularly to facilitate internal assessments.
