

## Talent Show - GRATITUDE TO TEACHERS

*A teacher plants the seeds of knowledge,  
Sprinkles them with love,  
Patiently nurtures their growth,  
to produce tomorrow's dreams!*

### Gratitude is Great

Keeping this in mind, the students of Nursery wing extended a heartfelt gratitude to their mentors, guides, Gurus – **The Teachers** through Talent Show.

Tiny-tots showcased their talent and expressed their love and gratitude for their teachers by dancing rhythmically on the tone of “Guru Vandana”, by doing role play and played music through various instruments - piano, guitar etc.

Beautiful poems highlighting the importance of Guru were also recited by children. Students presented their amazing artwork in the form of a card as their token of love for teachers.

The Tiny-Tots of Nursery wing celebrated Teacher's day with great enthusiasm on virtual platform. All performances were a treat to watch.
