**Summer Time is here!  
Let's all give a great cheer!!!**

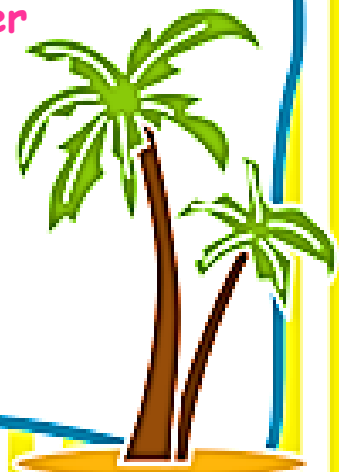

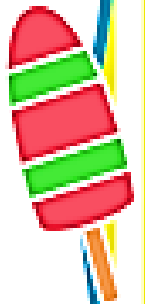

Dear Parents

Summer Vacation is a time for relaxation and enjoyment. As important as it is to rest & enjoy, it is also important to continue to learn and to reinforce the skills developed till date. Let vacation time be a doorway to creativity, learning, growth and joy for your ward.

We are sure that you will utilise this opportunity and spend maximum time with your child while keeping them physically busy and mentally active. Simple, imaginative activities that teach and entertain the kids are much more fun and beneficial than sitting in front of a TV or mobile screen.
