PUNJABI BAGH, NEW DELHI

PRE-PRIMARY

SESSION: 2021-22

Dear Parents,

Vacation plays a very important role in the academic cycle for students. It provides an opportunity to break free from the monotony that might creep in due to continuous teaching activities. Hence, this is the perfect time to relax, learn new skills, read new books and pursue hobbies, as it is an opportunity to rejuvenate oneself.

Keeping this in mind, stimulating activities and worksheets have been designed for our tiny tots to provoke creative thinking. So, download worksheets from the school website and submit it to the class teacher via MS Teams on 11th June 2021.

In case you are unable to take a printout, you may draw the same and help your child to complete the task. Hoping these activities keep our tiny tots thoroughly engaged and refreshed.
