As informed earlier the students will be wearing same uniform throughout the year. However, during summers the students can wear half sleeves shirt. It is compulsory for all students to wear brown shoes specified by DAV which is available in the market and school uniform shop as well.

It will be compulsory for all students of classes VI to X to wear sports uniform only on the days when students have either P.T. period or Mass P.T. period. Any deviation in the uniform will not be permissible. Purpose of a sports uniform is to promote uniformity and a feeling of oneness amongst students. As parents you are partners in this noble attempt. Kindly co-operate and help the school so that we do not end up being responsible for promoting brand culture and consumerism.

TRANSPORT

Owing to growing congestion of traffic on Delhi Roads, the school will be restructuring school bus routes and it may not be possible to ply buses in narrow bylanes. In such cases, the routes will ply on the main roads only. Intimation regarding the same will be available on School Website before the commencement of new session. Kindly check the route of your ward and extend your co-operation as always.

School observes holidays on all Saturdays for class XII and from Pre School to Class III. On 2nd and last Saturday of the month school observes a holiday for all classes, however, last Saturday of the month is a full fledged working day for staff for planning work and orientation programmes.
