INTER SCHOOL COMPETITION
LITERATI

"Poetry is the rhythmical creation of beauty in words."

To instil the love for poetry and develop the recital skills of the budding poets an alluring online **'Inter School Competition-Literati'** was organised by Amity International School on 6 May 2022. The virtual platform endowed an opportunity to the young rhetoricians to showcase their innate talent. The aim of the competition was to rekindle the spirit of rejuvenation and hope. The blooming rhymesters enthralled the audience with proper rendition, voice modulation, expression and appropriate gestures. It gives us a great pride and joy to share that Aaradhya Malik of class IVA clinched the second position for DAV Public School, Sector 10 A, Gurugram. The winners were felicitated with trophies and certificates to acknowledge their dedication towards poetry.
