

# Inter-House Mask Making Competition

## Grade-III

Mask making is one of the most enjoyable crafts that children can be engaged in. Keeping in mind the interest of the children, an 'Inter-House Mask Making Competition' was organized by DAV Public School, Sector 14 & 10A , Gurugram for the pupils of Grade III on 27 December 2021 on a virtual platform. The activity inspired the children to think and work creatively. Children participated earnestly in the bout and came up with amazing artwork. It was indeed a fun-filled masquerade.
