Dear Parents,

Science Olympiad Foundation (SOF) is an educational organisation which aims at assisting in development of competitive spirit among school children. It is in this sphere that the role of SOF has been much appreciated over these last many years, so much so that The Ministry of Corporate Affairs, through The Institute of Company Secretaries of India, and many highly reputed organisations like The British Council, Star Sports, Techfest IIT Bombay-Innovative challenge, IIT Kharagpur, National University of Singapore & TCS, etc have volunteered to partner and support SOF's various programmes. Please visit <http://www.sofworld.org/> to learn more about these tests.

The certificates provided by the organisation are accepted by universities across the globe and add value to admission process.

SOF provides a detailed performance report for each student giving information about his strengths and weak subject areas.

Our school is introducing English, Science & Mathematics Olympiad for students of grades III – XII. We do look forward to your continued support towards the initiatives taken by the school in helping our students learn better.

All the above-mentioned exams will be conducted offline this year.
